Dear Brian,

I would like to thank you for supporting Camp Soaring Eagle Foundation during 2010. Our Annual Affair fundraising event was a success because of your generous support and caring for the children we serve.

Our records show that you donated photography services for two dinner parties during the event. The Gift In Kind form that you submitted which shows the value of your donation is attached.

Thanks to you we have been able to help children with serious medical conditions discover the healing power of laughter and the sheer joy of play, that sickness has too long denied them. In 2010, Camp Soaring Eagle has served 360 campers and family members by providing them camping experiences through three different program offerings: Camper Weekends, Family Retreats and the Flying with Camp Soaring Eagle Travel Program.

These programs are made possible, free of charge, to the campers and their families thanks to the generous donations of individuals, corporations and foundations. I hope you will consider making a donation to help support these important programs. To sponsor a camper or for more information on other sponsorship levels and volunteer opportunities, please contact Juan Morales, Director of Operations, (702) 218-7034 or jmorales@campsoaringeagle.org. You also can visit our website at www.campsoaringeagle.org.

With your support we have been able to surpass our 2010 goal. Your continued support will help us expand our camping programs for 2011 to provide a year of laughter and lasting memories for many children who desperately need a bright spot in their lives. We look forward to your continued participation in our on-going fundraising events to help support these important programs.

Sincerely,

Max James
Founder
